Art	The materials required for art should be paid using the online “Easy Payments Plus” platform	

The cost of homework journals, locker rental, photocopying and class resources, 24/7 insurance for every registered student is not provided by the Department of Education and Skills. **From 2019/2020 school year the school is introducing a fee of €125 towards these costs, in line with the majority of schools.**

You should know that the school cannot provide a locker or student journal without payment of this charge.

A separate letter will be issued specific to each Year Group and will detail the cost of general expenses. The letter will be sent to all students in mid-June 2019. It will require completion and MUST be returned to the school. Failure to return this important annual registration document may mean your child's school place will be forfeited.

Any questions that you have regarding these costs please direct them to the school finance office, finance@gormanstoncollege.ie or by contacting Ms Miriam Kavanagh directly.

This year we have introduced a facility called, **"Easy Payments Plus"**. This is an online school payment facility to allow you to pay school expenses securely online with your debit or credit card.

We expect ALL parents to avail of this facility.

The option of paying by cash or cheque will no longer be available.

A letter of explanation will be sent to you with other important school documentation during the month of June 2019. This information will be available to view from the **1st June 2019** on the school website page.

Please note costs will apply for 3rd and 6th year students (mock examination costs) as well as supplementary costs associated with practical subjects at Junior and Senior Certificate level.

Information specific to practical subjects available on "Easy Payments Plus" online platform.
