

# Franciscan College GORMANSTON

25th March, 2019

Dear Parent/Guardian,

We are presently compiling our College Annual, Issue No. 69 for 2018/2019.

Here in Gormanston we see the Annual as a very important feature of College life for our students. It highlights the year's activities and achievements and is a wonderful reminder of student days in time to come.

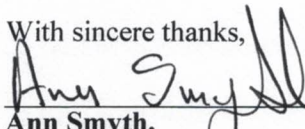

The production of an Annual is a very expensive project. However, in an effort to keep the cost to an absolute minimum, once again this year the full design and editing will be performed in house, with only the printing being completed externally.

## PATRONS OF COLLEGE ANNUAL

We are very appreciative of the support we have received in past years and would once again like to invite parents/guardians to consider becoming Patrons of this year's edition.

To become a Patron, a subscription of €50.00 is requested (payable by bank transfer, cheque or cash). Patrons will be acknowledged personally in the Annual. Please note all Patrons will receive a complimentary copy of the College Annual.

With sincere thanks,

  
Ann Smyth,  
Editorial Board, College Annual.

  
Pauline Murphy,  
Editorial Board, College Annual.
