

Franciscan College Gormanston

Academic Year 2018/2019

Subject to demand there will be supervised study periods offered after school to students of the College. **Priority will be given to exam year students.** These study periods will take place at the times outlined below.

<u>Days</u>	<u>Start</u>	<u>Finish</u>
Monday and Tuesday:	16:00	18.00
Wednesday, Thursday and Friday:	15.20	17.20

This will amount to a total of 10 hours per week.

**The cost of availing of these study periods will be €580 per year.
(This is the equivalent of €20 per week, or €2 per hour.)**

Students who are interested in signing up for these study periods must do so for the full academic year. There will be no provision for availing of only a limited number or portions of these periods.

Students must apply to avail of these study periods. Admittance will be based on a 'first come first served' basis with places allocated until such time as the maximum number is reached. In the event that there should be insufficient demand then the College will not run the study periods.

The College reserve the right to remove the provision of these study periods to any student whose behaviour is such as to endanger the safety of themselves or others or who cause unacceptable disruption to the operation of these study periods. In such cases the College will refund the balance of any payments made.

It is important that both students and parents/guardians are clear as to the nature of the study periods being offered. These will be supervised study periods in which a quiet environment is provided in which the students can work purposefully. The supervisors will not be in a position to provide assistance with homework or provide additional tuition.

If you wish to apply to avail of these study periods, then please complete the section below and return this form to the College.
